
Outline

A. NSPE Statement of Principles

- NSPE works to improve the lives of both the public and the PEs that serve it through efforts to:
- Define the PE license as the highest measure of professionalism and qualification to protect the public health, safety, and welfare;
- Promote awareness and recognition of the value and meaning of the PE license; and
- Protect the integrity of the profession and the welfare of the public by vigorously opposing the practice of engineering by unqualified persons; and advocating the highest standards of licensure, ethics, and professional practice

B. Vision

- NSPE is a member-centric, nimble, future-focused and responsive organization, serving as the recognized voice and advocate of licensed Professional Engineers.

C. Mission

NSPE, in partnership with the State Societies,

- Serves as the recognized and authoritative expert in licensure, ethics, and professional practice;
- Promotes licensure and assists individuals in becoming licensed; and
- Protects and enhances the value of licensure and the opportunities for the licensed engineer.
